Scientific revelations about life are absolutely astounding! Getting a closer look at the world through a microscope provides this student with interesting insights about things not seen with the naked eye.

Science is simply stimulating for Thomas Locklayer (center) and his enthusiastic classmates who appear to know all of the answers.

A Message From The Principal

Someone once said that "no man is an island unto himself". I hope that as you look back over your high school years and reflect on that which was said and that which was done some connections can be visualized. That connection could have been a very positive teacher/student relationship that caused you to reach your maximum potential in school. Maybe the connection was with some other adult in the building, a counselor, secretary, teacher assistant, information services specialist, school nurse or support personnel.

I am quite sure that there are some friends in this building that you "have grappled to yourself with hoops of steel." These kind of friends will be friends forever. Many years from now you will continue to see some of these friends and reminise over the good times that you had in school.

You are putting together the links of a chain, each one strong on its own and even stronger when the chain is complete. As you complete your high school education, there should be some understanding of how a quality education is connected to a higher quality of life that is connected to future joy and happiness. I hope that all of our students have had such positive and meaningful school experiences.

Welcome to the ...Bruins Den

Hail to thee O Bethel High School
Songs of praise we sing
To thee our glorious alma mater
Voices proudly ring
Green and gold our wondrous colors
Emblems of strength and truth
After spending glorious days here
We emerge as virtuous youths
Dreaming of days to be
Where our hopes and thoughts do lie
Alma mater our trust in thee
Here's to Bethel High

Homecoming '98

HOMECOMING '98 rolled around on September 29th- just weeks after school re-opened. Students and staff hadn't really gotten back into full swing before the school was flooded with "Bruin Spirit." Signs, floats and parade rehearsals reflected the excitement of the student body. The enthusiasm was matched only by the weather- which was great!!

As everyone falls into line...

Parades are a great way to exercise.... if you're walking as the ' Yearbookers' did!

Heavenly Star
by *Salina Turnage*

When you re walking through those heavenly doors,
remember us forever more.
You are known for that strong mind,
carried upon your wise spirit.
We carry you in our hearts everyday,
it takes a little of the pain away.
We may not be with you for a little while,
but it keeps us going to remember your smile.
You will be remembered by those honest eyes,
if a friend had a question, you would have an answer why.
We all love just the way you are,
ii s good to know you re a heavenly star.
So, see you soon at that golden gate,
where you and heaven so patiently await.

Maranda Lynn Tibbs

The night you were born was the most beautiful night we had. We watched you go through so much in the years. But you learned about life the hard way. We laughed with you and we cried with you as we watched you grow. Yet in our eyes you're still our little girl and granddaughter and always will be no matter how old you are. You can be whatever you want.

Love always,
Mom, Dad, Gaston, and Grandparents.

Congratulations Shauna

You have made us so very proud! Since the day of your birth you ve been a bundle of complete joy. We ve watched you develop from a precious baby girl into a beautiful young woman.

We are very appreciative of all your accomplishments and achievements through your school years. From being consistently on the honor roll, your induction into the National Junior Honor Society, selection as Citizen of the Month, and numerous other awards.

At last you are at the end of the road at Bethel and about to embark on new adventures in college. Always remember to continue to do your best and believe that you can do all things through Christ who strengthens you.

May your future be filled with joy, love, and much success. May God continue to bless and keep you always in His care. Keep your determined spirit and faith and remember your family will always be here for you!

We Love You,
Mom, Dad, Kim, Gerrod, Kendra,
Grandpa and one who will always
be with you, Grandma Mae.

GREAT DENIM STYLE

Jennifer, Special Baby to Graduating Lady

Her first bit of schooling
Was a kindergarten class
In a small town in Kentucky
Where she learned very fast

Lots of time with Grandaddy
Was the order of the day
Since mother and Grandmother
Was working and away

Jennifer moved back to Hampton
And learned fast in elementary days
She stayed in the gifted program
Learning very fast in many ways

She volunteers service for the family church
Away to the Appalachians scenic views
To help needy people repair houses
Donating food, clothes, anything they can use

Jennifer was always ready
To meet each challenge it seemed
But I was surprised to hear
She was a manager for the wrestling team

We put the shopping to a rest
As Jennifer found the perfect dress
She takes a second happy glance
As she leaves for the awesome ring dance

At last the most thrilling day of all
You have studied, worked and come a long way
It's coming soon, no longer a dream
Here for you finally, Graduation Day!!

Enjoy, Jennifer

Into each life
the sun must shine
And for me
Jennifer is mine.

She came to us
in June one year
Oh what a joy
A person so dear

She has a good spirit
And a kind heart
When it comes to helping others
She always does her part

These are but words
with which I talk about her with pride
And being proud of her
is very hard to hide.

May the best always be yours,
Grandfather Langford

To our special girl
who has a smile as big as
her heart along with
honesty and determination
as endless as time.

Today, we're especially thankful for this milestone in Tonya's life. We thank God for the rewards of hard work and persistent study and for the possibilities that lie ahead. Keep her ever mindful of the gifts you've given her. Give her the strength and courage to continue on and achieve higher goals. But most importantly we pray for the molding and perfecting of character that only comes from the Holy Spirit residing in our hearts. Continue to lead, guide and direct Tonya throughout life.

Dear India,
You've come so far
To grow into the 'you' you are,
And God was with you as you grew...
He has a special plan for you.
Now there are choices you must make,
Which way to go,
Which path to take,
And God will guide you as you do...
He has a special plan for you.
And always through the coming years,
You'll keep exploring
new frontiers,
And God will help
to see you through...
He has a special
plan for you.

As you graduate

May God Bless you with success
And all the happiness it brings...
and may you sense
with every accomplishment you seek
God has a special plan for you
that's wonderfully unique.

And may God continue to Bless you

There's beauty in this crazy world
To see the rising sun,
To know the worth of each new day,
And to know the race is won,
To know the God who made the heavens,
And holds our hopes and dreams,
To know that life though simple at times
Is not always what it seems.
I've seen you in the difficult times.
I've known your doubts and fear.
I've held your hand through trials.
I've wiped and cried your tears.
You are a strong young woman now,
Stand tall with grace and pride.
You're standing at the crossroads,
There is no need to hide.
The most important things you've learned
You've grown, succeeded, and tried,
And looking in your eyes for years...
I've learned
Your beauty comes from within.

We are so very proud of you.

He compares you to no one else. You lack nothing that His grace can't give you. He has allowed you to be here at this time in history to fulfill a special purpose for Him. We love you unconditionally and immeasurably.

Love,
